Unincorporated Pima County
Cable Television License Renewal
Public Hearing
4:45 p.m. on September 25, 2007

The Pima County Cable Renewal Committee is holding a public hearing on Tuesday, September 25, 2007, to hear comment about Comcast and Cox Communication in connection with the renewal of their license agreements for unincorporated Pima County. The meeting will be held at the Joel D. Valdez Main Library Basement Conference Room, 101 N. Stone Ave, from 4:45 – 7:00 p.m. This will be the first of several opportunities for Pima County residents to express their opinions about the cable companies pursuant to the Cable Television Renewal Process (47 USC Sec. 546(a)(1)). In accordance with the legal restrictions of the Cable Television Renewal Process, agenda topics will be limited to the following:

- Quality of the cable operator's service, including signal quality
- Response to consumer complaints
- Billing practices
- General comment

The Committee welcomes all Pima County residents to attend this event.
